Re: EPA Review of the Comprehensive Sampling Plan for Monitoring Sulfur Dioxide in Ambient Air, Bridgeton Landfill, Bridgeton, Missouri, dated June 7, 2016.

Dear Mr. Rosasco:

The U.S. Environmental Protection Agency has reviewed the above referenced document that was prepared by Stantec Consulting Services, Inc. This Sampling Plan was submitted to the EPA for review and approval in accordance with paragraph 35(d) of the North Quarry Administrative Settlement Agreement and Order on Consent for Removal Actions at the West Lake Landfill Superfund Site, EPA Docket No. CERCLA-07-2016-0005.

Based on our review of the submittal, the revised document addresses prior agency comments and the EPA approves this final submittal. Per paragraph 35(d) of the North Quarry Administrative Settlement Agreement and Order on Consent, the sulfur dioxide monitors addressed by this Sampling Plan shall be operational within 30 days of this approval. If you have any questions pertaining to this letter, please contact me by phone at (913) 551-7416 or by email at [mahler.tom@epa.gov](mailto:mahler.tom@epa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Mahler".

(for) Tom Mahler  
On-Scene Coordinator  
Missouri/Kansas Remedial Branch  
Superfund Division
