AGENDA

Lake Nutrient Criteria Technical Subcommittee
La Charrette Conference Room
Lewis & Clark State Office Building
1101 Riverside Dr, Jefferson City
February 9, 2012
1:00 pm

- Chlorophyll maxima and chlorophyll: Total phosphorus ratios in Missouri reservoirs – Dan Obrecht will present findings from a recently published paper which has bearing on the development of lake nutrient criteria.
- Lines of Evidence – A range of estimates of impairment thresholds for Total Nitrogen, Total Phosphorus and Chlorophyll will be presented, from which the most defensible criteria will be determined.
- Draft Rule Revisions.
