

**Department of Natural Resources  
Water Protection Program  
Lewis & Clark State Office Building  
LaCharrette Conference Room  
1101 Riverside Drive  
October 12, 2011  
11:00 am – 3:00 pm**

**AGENDA**

**Proposed Amendment  
To  
10 CSR 20-6.030 Disposal of Wastewater in Residential Housing  
Developments**

- 1) Introduction - Purpose – Update the terminology and clarify portions of the regulation to reduce the potential for any misinterpretation. It is not the purpose of this amendment to change the methodology within the rule.
- 2) Highlight jurisdictional responsibility between the Department of Natural Resources (Department) and the Department of Health and Senior Services (DHSS) and the need to ensure the regulation remains workable with the DHSS onsite wastewater regulations.
- 3) Review 10 CSR 20-6.030 history subdivision rules and current regulation.
- 4) Explain rule making procedures within the Department.
- 5) General Review of Changes;
  - Name
  - Purpose
  - Definitions
  - Applicability
  - What is required to receive approval
  - What does not require approval
  - Centralized sewers
  - Subdivisions
  - Multiple Family Developments
  - Recreational Developments
  - Department Review
- 6) Discussion
- 7) Adjourn
