

644.054.4, RSMo

The director of the department of natural resources shall conduct a comprehensive review of the fee structure in sections 644.052 and 644.053. The review shall include stakeholder meetings in order to solicit stakeholder input. The director shall submit a report to the general assembly by December 31, 2012, which shall include its findings and a recommended plan for the fee structure. The plan shall also include time lines for permit issuance, provisions for expedited permits, and recommendations for any other improved services provided by the fee funding.

Clean Water Fees Summary

- Background
- Path Forward
- **Putting It Together**

Phase I - Background

Clean Water funding sources and available uses, clean water activities and priorities, CW fee survey results, expenditures, federal requirements process
