

Renewal Hours for Sacramento Correspondence Courses

The following is a list of correspondence courses offered by the Office of Water Programs, California State University, Sacramento. The list provides the number of renewal hours the Missouri Department of Natural Resources has awarded each course upon successful completion. To find out more about these courses, you can visit www.owp.scuc.edu.

Links to other training providers that offer online courses can be found at www.dnr.mo.gov/env/wpp/opcert/optrain.htm.

Payment for each course will need to be made initially by the operator. Upon successful completion of a course, operators may mail proof of course completion and payment, vouchers and letter requesting direct reimbursement (include return address) to the following address: Missouri Department of Natural Resources, Operator Certification Section, P.O. Box 176, Jefferson City, MO 65102-0176.

If you have questions or need additional information, please contact the Operator Certification Section at 1-800-361-4827 or by email at opcert@dnr.mo.gov.
