Re: Sewer Extension Permit Program  
City of Nevada, Missouri

Dear Ms. Smith:

The City of Nevada, Missouri would like to establish a Sewer Extension Permit Program as outlined under 10 CSR 20-6.010(6). The following information, as requested under 10 CSR 20-6.010(6)(A)1 A through D, has been enclosed for your review and approval:

- A. Two copies of the City's Standard Specifications for Sanitary Sewer System Construction Materials and Methods has been enclosed for your review and approval.
- B. A copy of the agreement between the City and Allgeier, Martin and Associates, Inc. for professional engineering services has been enclosed.
- C. Currently, Alliance Water Resources, Inc. is responsible for the operation and maintenance of the City's sanitary sewer collection and treatment systems. The inspection of all sanitary sewer extensions or replacements will be performed by personnel from Alliance Water Resources. Qualifications of these individuals have been enclosed.
- D. A letter from the City stating that all sewer extension plans, approvals, and reports will be permanently maintained by the City.

If you should have any questions or need additional information, do not hesitate to contact me.

Very truly yours,

**ALLGEIER, MARTIN & ASSOCIATES, INC.**

John Briggs, P.E.
