

3.3.1.8 Overview of the Permit/General Permits/Statewide GP Template/ Transfer of Permit

Applicability:

This topic applies only to writers of statewide general permit templates.

Content:

The following language should be inserted into every general permit template. It provides notice to the permit holder of the transfer requirements. Regulation or statute does not require it, but it is department practice to include it.

Permit Transfer

This permit may be transferred to a new permittee by submitting an "Application for Transfer of Operating Permit" signed by the transferor and transferee of the facility, along with the appropriate modification fee.
