

Summary of Comments and Responses to the
Regulatory Impact Report (RIR)

Pursuant to Section 640.015 RSMo, “all rulemakings that prescribe environmental conditions or standards promulgated by the Department of Natural Resources...shall be based on the Regulatory Impact Report...”

...for the Proposed Draft Amendment to 10 CSR 20-8.300 Manure Storage Design Regulations

The Regulatory Impact Report (RIR) was Public Noticed
from October 19, 2015 through December 21, 2015

Missouri Department of Natural Resources

Water Protection Program

PO Box 176

Jefferson City, MO 65102-0176

No comments were received on the RIR.

The RIR documents the environmental benefits and economic costs associated with the rule amendment. No responses are made on comments regarding specific rule language or items proposed or omitted in the draft rule. Comments on the draft rulemaking are taken into consideration as the draft amendment is developed. Please submit comments on the upcoming proposed amendment to 10 CSR 20-8.300 during the upcoming open public comment period.
