

4. Do you plan to re-grade any portion of the property? Yes No

If yes, please provide a description of your proposed activities:

5. Do you plan to trench, excavate, plow or dig below ground surface in any fashion on the property? Yes No

If so, describe in detail the location(s) and depth(s) of the proposed excavation.

6. Site Sketch

Use this area to sketch the site layout and indicate areas of proposed work. The drawing need not be to scale, but should provide good detail of site boundaries, landmarks and structures and should be legible.

The department can provide a site diagram for any Former Minuteman Missile Site. To request a site diagram, contact the department's Former Minuteman Missile Sites project manager at 573-751-3907.
