ALTERNATIVE FUEL INFRASTRUCTURE APPLICATION FOR CERTIFICATION

FOR OFFICE USE ONLY	
APPLICATION NUMBER	
DATE RECEIVED	
CERTIFICATION NUMBER	
DATE APPROVED	

ARE YOU ELIGIBLE?

Yes No

1. Was construction of this facility/installation completed after Aug. 28, 2014?
2. Is the project an EV charging station, or does the project use a minimum of 70% blend of alternative fuel or any mixture of biodiesel?
3. Was the facility placed in service on or after Jan. 1, 2015 and currently in service?

If the answer to questions 1, 2, or 3 is "no", the applicant will not be eligible for the tax credit.

4. Was at least 51% of the project cost paid to a qualified Missouri contractor?
5. Is the contractor(s) principal place of business located in Missouri and established for five years or more?

If no Missouri contractor is located within 75 miles of the property, the requirement that 51% of the costs be paid to a Missouri contractor does not apply.

PROJECT OWNER INFORMATION (We will send all correspondence to this person)

PROJECT OWNER'S NAME		
BUSINESS NAME	PRINCIPAL BUSINESS ACTIVITY (or SIC, if known)

PROJECT COSTS

- Eligible project costs include:**
- Fabrication of pre-manufactured equipment or process piping used in the construction of such facility.
 - Construction of such facility.
 - General maintenance of such facility during the time period in which such facility receives any tax credit under this section.
- Facility costs cannot include:**
- Costs associated with the purchase of land upon which to place a qualified alternative fuel vehicle refueling property.
 - Costs associated with the purchase of an existing qualified alternative fuel vehicle refueling property.
 - Costs for the construction or purchase of any structure.

Equipment and Materials	Installation and Labor	Other (general maintenance of facility)
COST \$	COST \$	COST \$
TOTAL COST \$	NOTE ANY FEDERAL TAX CREDITS OR GRANTS (THE SUM OF ANY REBATES OR CASH PAYMENTS) \$	

Please submit an itemized list of each expense paid by the applicant directly related to the construction of the alternative refueling system and any supporting documentation.

PROJECT OWNER STATEMENT

1. I understand this tax credit application is a public record and the Missouri Department of Natural Resources may be required by law to disclose information in this tax credit application, after the application is no longer pending, to the public on request.
 2. I understand the Missouri Department of Natural Resources does not endorse any company and does not sell information as a mailing list.
 3. I understand section 135.805.9, RSMo requires the recipient of any environmental tax credit to annually, for a period of three years following issuance of tax credits, provide to the Missouri Department of Natural Resources information detailing any change to the type of equipment purchased, if applicable. I understand failure to meet the reporting obligations of section 135.805, RSMo or any determination of fraud in the application process could result in penalties pursuant to section 135.810, RSMo.
 4. I verify the project owner (if a business) does not restrict membership, sales or services on the basis of race, color, creed, religion, national origin, sexual preference or gender.
 5. I certify pursuant to section 285.025 RSMo that the project owner employs no illegal aliens.
 6. The information I have provided in this form is true and accurate to the best of my knowledge.
 7. I certify I am the project owner or the authorized agent.
 8. I certify all costs are eligible.
- I have read and agree with the terms and conditions of the Project Owner Statement.
