Each Certificate of Deposit described above is payable to the Treasurer of the State of Missouri or \_\_\_\_\_ (Obligor), is assigned in full to the State of Missouri, Department of Natural Resources and shall be kept in the custody of the State of Missouri until successful completion of the conditions of this obligation, and shall be forfeitable by the State of Missouri, acting through the Department of Natural Resources, if the conditions of this obligation are not met. The issuing bank(s) name above hereby waives all rights of setoff or liens against the Certificate(s) of Deposit denominated above.

THE CONDITION OF THIS OBLIGATION IS SUCH, That whereas the above named Obligor did on the \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_ file with the Department of Natural Resources an application for a Metallic Minerals Waste Management Area in the State of Missouri, under the terms and provisions of Section 444.350 to 444.380 RSMo; that said application has been approved for operations under Permit Number \_\_\_\_\_ consisting of \_\_\_\_\_ acres; that the Obligor will undertake operations and complete reclamation on the land in accordance with statutes, regulations, of the Department, conditions of the permit, the approved closure plan, and inspection-maintenance plan. This bond is held as security for reclamation responsibilities incurred by the permittee and is subject to forfeiture pursuant to the statutes and regulations for failure to comply. The penalty of this bond shall be the full effective amount of this bond.

Now if the Obligor faithfully performs all terms of the permit and all requirements of the Metallic Minerals Waste Management Act and complies with all rules of the Missouri Department of Natural Resources and satisfactorily meets the requirements of the closure and inspection-maintenance plans on all lands within the State of Missouri affected by said principal under said permit in accordance with Sections 444.350 to 444.380, RSMo then this obligation shall be null and void, otherwise, it shall remain in full force and effect. Application for release of the obligations of this bond may be made to the Director of the Missouri Department of Natural Resources in accordance with the provisions of Sections 444.350 and 444.380, RSMo.
