RE: Special Project Request

Dear Mr. Bratton:

At the October 19, 2011 State Oil and Gas Council meeting held in Jefferson City, MO, Running Foxes Petroleum, Inc. (RFP) petitioned the council for special project status for several projects in Vernon County. State regulation 10 CSR 50-2.110 provides council the authority to grant special consideration to operators who wish to develop projects aimed at producing the state's heavy oil reserves. Operators require a great deal of flexibility in developing well patterns, which include the use of enhanced recovery injection wells to produce oil due to its physical properties.

The sites for which special project status was requested are:

- **EMMERSON**
 - Section 6 T36N R33W; NW ¼ & N ½ SW ¼ (213 Acres)

- **STONER**
 - Section 6 T36N R33W; S ½ SW ¼
 - Section 7 T36N R33W; W ½ (360 Acres total for sec 6 and 7)

- **MASHEK**
 - Section 5 T36N R33W; NW ¼ except SW ¼ NW ¼ (120 Acres)
 - Section 17 T36N R33W; NW ¼; N ½ SW ¼ (240 Acres)
 - Section 31 T36N R33W; primarily in NW ¼ (Est. 134 Acres)

- **KEITH/SHEEHY TRUST**
 - Section 29 T37N R33W; All of section except N ½ NE ¼; SE ¼ NE ¼; NE ¼ SE ¼ (480 Acres)
 - Section 32 T37N R33W; W ½ NW; S ½ NE ¼; NW ¼ SE ¼ (200 Acres)
 - Section 33 T37N R33W; W ½ SW ¼ (80 Acres)

- MEEK
 - Section 5 T36N R33W; SW ¼ NW ¼; NW ¼ SW ¼ (80 Acres)
 - Section 6 T36N R33W; S ½ NE ¼; N ½ SE (Est. 180 Acres)

After a presentation by RFP and discussion by the council, a motion was made and passed to grant special project status to the request project sites detailed above. Additional well permits may be applied for with locations determined at the discretion of RFP with the stipulation that the location is not within 165 feet of the approved special project boundary.

If you have any questions, please contact the office of the state geologist by mail at P.O. Box 250, Rolla, MO 65402; by phone at 573-368-2100; or by fax at 573-368-2111.

Sincerely,

STATE OIL AND GAS COUNCIL

John Madras, Chair
State Oil and Gas Council
