

Continuing Education

Cathy Smith

Geological Survey Program

August 14, 2020

Overview

- How Many Hours are Required by Other States?
- How to Track CEU's?
- What are the Training Options?
- What are the Costs?

Continuing Education Hours Needed per Year by State Agency

States	Hours/Year(s)
Arkansas	6/year
Indiana	6/year
Kansas	8/year
Kentucky	5/year
Nebraska	12/2 years
Oklahoma	3.1/year
Tennessee	5/year
Texas	4/year

Average CEU/Year is
5.5

Training or Course Options Utilized by Other States and Costs

- States provide Training to Drillers
- Outsource Training to 3rd Party
- There are Online CE Courses Available
- Combination of These
- Costs Vary Widely From State to State

Challenges for Missouri

- Costs
 - Training
 - Additional staff
 - Database modification
- CEU Review to Ensure Program Compliance
- Rulemaking
