### Additional Information

- **Condition**: Interior/Exterior Excellent
- **Preservation**: Yes/Underway
- **Endangered**: Yes/By What?
- **Visible from Public Road**: Yes
- **Distance from and Frontage on Road**: 100 ft along W. 39th

**Further Description of Important Features**

Main entrance faces North consisting of tabernacle frame. Consists of central structure with two four-story wings connected to central structure up three story passageways and rooms. Central structure surmounted by hipped roof topped by copper lantern of Bramante style. East & west wings topped by hip roofs surmounted by smaller cupolas: Fenestration consists of rectangular double hung-sash windows with stone (Cont. p.2)

**History and Significance**

Structure erected in 1903-04 to serve the Sisters of Loretto, a Catholic order founded in America for the higher education of girls. Only known extant work in Kansas City of the major St. Louis architectural firm of Barnett, Hayes and Barnett. The structure was designed to rival if not excel similar Loretto academies in Denver, Colorado; Flerisant, Missouri (Cont. p 2)

**Description of Environment and Outbuildings**

Structure rests on large pentagonal-shape blocked to the south, east and west are Westport residences. To the north are commercial structures or residences reconverted for commercial use.

Residence erected in approximately 1885. Around turn of the century, the residence became the home of Charles K. Price who was City Marshall for Westport Missouri in 1887. Significant as a fine example of local Westport Residential design which incorporated Chicago-influenced elements. Of particular importance is the five window bay on the south facade.

32. Further Description of Important Features
Building includes primary single story, masonry and wood structure with a two-story, brick addition placed to the south. Both structures built in 1899. Original angled main entrance faces north, secondary entrance faces northeast. Fenestration consists of rectangular double hung sash windows and store front windows. Renovated in 1973, to become part of the Westport Square development.

33. History and Significance
Erected in 1899 by Dr. Joseph O. Boggs, prominent Westport physician, which served as the first apothecary shop in Kansas City. Later served as drug store for Albert N. Doerchuk, prominent Westport pharmacist, historian and author of many articles pertaining to the history of Westport.

34. Description of Environment and Outbuildings
Building is situated within the principle commercial center of Westport. To the north, south and east are additional commercial buildings. To the west is a large surface parking lot.

**41. Distance from and Frontage on Road**

ca. 8' from st.; approx 24' along Westport Rd.

**42. Further Description of Important Features**

Main (south-east) facade covered with pressed brick. First story, southeast and southwest facade levels modernized (1975) for use as tavern and restaurant. Southwest facade has outside court with glass-walled enclosure. Second story southeast level has rectangular sash windows with white stone trim. Stepped brick cornelling along parapet level.

**43. History and Significance**

Building presumably erected in approximately 1860 by Cyprien Chouteau, wealthy Jackson County citizen who settle in the area in 1860. Structure and lot sold to James Bridger, famous mountain man, trapper, guide, and scout who owned the property from 1866 to 1881, used as grocery and outfitting store and dance hall.

**44. Description of Environment and Outbuildings**

Structure located within middle to late 19th Century Westport commercial district along primary artery of area, Westport Rd. Main entrance faces southeast. To Northeast lies A.G. Boone Store (Kelly's Westport Inn). To the southeast lies Joseph Bogg's Pharmacy Store (New Stanley's). To the west lies surface parking lot.
